

Village of Hoosick Falls – NY Forward Grant  
**Revised/Updated Proposals - Overview**

*Submitted 9/16/24*

**Village Project #1: Monument Park** - Former Oak-Mitsui Site

**Main Updates:**

- Two options provided (smaller-scale park and larger park);
- Walking Bridge to Greenway added to this project (and removed from Greenway Project);
- Updated Figures and Cost Estimates reflective of both options and recent quotes

**New Project Cost/NYF Request:**

**Option #1 – Small Scale Park**

**Total Project Cost: \$352,000**

**Total NYF Request: \$282,000**

**Option #2 – adds Pavilion, Playground, extra**

**Total Project Cost: (was \$1,740,000) - \$1,648,200**

**Total NYF Request: (was \$1,660,000) - \$1,578,000**

**Village Project #2: Hoosic River Greenway Unification**

**Main Updates:**

- Removed Walking Bridge to Greenway and added it to Option 1 & 2 for Monument Park;
- Added visualization of an option for the Mechanic Street Bridge Crosswalk/walking lane
- Updated Figures and Cost Estimates reflective of two options and recent quotes

**New Project Cost/NYF Request:** (was \$575,000); now \$190,000 with a \$190,000 NYF Request

**Village Project #3: Municipal Building Expansion**

**Main Updates:**

- Updated estimates from contractor who designed the work
- Specified the Village's preference to have Part 1 considered fully and separate from the decision about which Municipal Expansion (Part 2 or the Murphy Building) could be the best.

**New Project Cost/NYF Request:**

**Part #1 – Front/ADA Improvements**

Total Project Cost: \$116,000

Total NYF Request: \$116,000

**Part #2 – Expansion to building (with basement)**

Total Project Cost: \$1,020,000

Total NYF Request: \$1,020,000

Village of Hoosick Falls – NY Forward Grant  
**Revised/Updated Proposals - Overview**

*Submitted 9/16/24*

**Village Project #4: Woods Brook Redevelopment**

**Main Updates:**

- Village is asking to have the **project removed from consideration for NYF funding requests**; will consider this as a pipeline project for future planning purposes.

**New Project Cost/NYF Request:**

Total Project Cost: remains at \$2,375,000

Total NYF Request: ~~was \$2,375,000~~ - is now **\$0**

**Village Project #5: Pedestrian Infrastructure Improvement**

**Main Updates:**

- Added Walkway/Railing Replacement between Wood Park and the Wood Park Senior Housing (was originally a separate proposal from the Town of Hoosick Housing Authority)
- Fully Calculated Village's cost match through materials provided (concrete for all sidewalk work)
- Included funding from Town of Hoosick Board (\$7,500) and Hoosick Housing Authority (\$15,000)
- Updated Figures and Cost Estimates reflective of recent quotes

**New Project Cost/NYF Request:**

Total Project Cost: ~~\$300,000~~ is now **\$302,880**

Total NYF Request: ~~\$300,000~~ is now **\$200,380**

**Village Project #6: Murphy Building Revitalization**

***Remains unchanged at this time.***

***We hope to provide an updated proposal at the end of this week (including layout possibilities and updated estimates). We understand that this information won't be ready for display at the upcoming LPC Meeting, but can provide updated information and materials to the LPC members, should the NYF Consultants approve of this approach.***
